This matter is before the Court following a conference with counsel on July 21, 2011. The Court finds the situation mandates establishing deadlines for the progression of the remainder of the case. If defendants believe the case can be resolved in light of the Court's construction (Filing No. [188](#)) of the patent terms "hardware key" and "access key," defendants are invited to file a motion for summary judgment as soon as possible.

IT IS ORDERED:

1. Defendants' Motion for Summary Judgment Hearing Schedule (Filing No. [189](#)) is denied;
2. A progression order setting forth the applicable deadlines will be entered;

3. Plaintiff's Motion to Strike Reply Brief (Filing No. [192](#)) is denied; and

4. Defendants' reply brief has been filed and the Motion for Leave to File Reply (Filing No. [194](#)) is denied as moot.

DATED this 22nd day of July, 2011.
